## Tom Watson

Tom Watson is the co-founder of Glass. Previously, he worked at the Director of Product at Framer, and was an early Design Manager and Product Designer at both Pinterest and Facebook. He fell in love with photography at 11 with a disposable camera on a family vacation to Hawaii. Tom misses Flickr & the earnest Internet. Originally from Oregon, Tom is based in Amsterdam, The Netherlands with his wife and two boys.

## Stefan Borsje

Stefan Borsje is the co-founder of Glass. Previously, he worked as the Director of Engineering at Framer and as a Solutions Architect at Amazon Web Services. He was the technical co-founder and CTO at Karma WiFi. He's not being rude, he's just Dutch. Stefan is based in Amsterdam, The Netherlands.
